Equipped tents : these tents for max 5 persons are rented from early May until early September by the company Country Camp from the Netherlands. If you want to book, please contact us and we will arrange the booking for you, according to their availability

**Walking / Biking / Mountainbiking:
Luxembourg puts the spot on the bike:**

Auf Kengert the ideal spot for mountainbiking, We have been granted with the „Bed & Bike“ Label, more info on www.bedandbike.lu

Woodland walkers are all excited about the new tracks in Luxembourg's Little Switzerland: the **Mullerthal Trail** <http://www.mullerthal-trail.lu/>. We have been recommended as „Mullerthal Trail Partner“.

Hikers and cyclists in tent travelling without car get a discount of 20% on the persons costs. When booking online, you can use the promotional code "nocar".

We also sell lovely souvenirs from the Mullerthal, Little Switzerland Region in our Shop.

Our washrooms, with children bathroom

Barefootpath & sensory motoric park:

It starts directly from the campsite and is a real successory: here you are able to walk with bare feet over different textures (e.g. grass, sand, stone, wood, etc) and enjoy an unique massage.

The sensory motoric park gives desire to move. Whether alone, with friends or with your family - here you can have fun, train your motoric skills and stay fit.

open from
30.04. till 30.09.

**Special rate for 1 night: Quick Stopp
-25%**

If you arrive after 19.00 h and leave the day after before 09.00 h, you have a reduction of 25% on the camping rate - this is valid the whole year through, not only when camping with a motorhome, but also with a caravan, a tent, etc.

When booking online, you can use the promotional code "quick".

But: not to be combined with one of our other offers!

In 2024 the campsite is open from March 1st till November 8th, making it an ideal stopover on your way to southern or eastern Europe.

The well-stocked food and supplies-shop, with fresh bread every day, is open in low season as well. We can supply you with campinggaz and Calor Gaz, as well as unleaded petrol. The laundry comprises washing machines and dryers.
